The Project Proposal

LibraryLinkNJ 2/3/2017

jennifer@vinopal.org / @jvinopal

The Project Proposal

1. Rhetorical device. Goal=convince
2. Not always required
3. Format & content depends on target audience
4. Formal or informal
5. Written or oral

LibraryLinkNJ 2/3/2017

jennifer@vinopal.org / @jvinopal

The Project Proposal

Challenges?

LibraryLinkNJ 2/3/2017

jennifer@vinopal.org / [@jvinopal](https://twitter.com/jvinopal)

Activity 2

Swap project proposals with partner.
Imagine you're the target audience.
Ask some questions and make some
suggestions to make the proposal
stronger.

The Project Charter

LibraryLinkNJ 2/3/2017

jennifer@vinopal.org / [@jvinopal](https://twitter.com/jvinopal)

Why Projects Fail – Sierra

1. Goals of project are unclear
2. Disagreement about the goals
3. Requirements are ambiguous or unrealistic
4. Project is inadequately staffed

LibraryLinkNJ 2/3/2017

jennifer@vinopal.org / [@jvinopal](https://twitter.com/jvinopal)

Why Projects Fail – Sierra

5. Lack of consensus on roles
6. Proposed schedule is unrealistic
7. Scope is poorly managed or unconstrained
8. Project just doesn't make sense

LibraryLinkNJ 2/3/2017

jennifer@vinopal.org / [@jvinopal](#)

Project charter

1. Project name
2. Description
3. Deliverables (in/out of scope)
4. Project team
5. Milestones/Schedule

LibraryLinkNJ 2/3/2017

jennifer@vinopal.org / [@jvinopal](#)

Business Case — Siemens

- Why do this project?
- What happens if we don't do it?
- Why do it now?
- How critical will the impact of the project be?
- What could go wrong?
- Countermeasures?

LibraryLinkNJ 2/3/2017

jennifer@vinopal.org / @jvinopal

How good is my charter?

- Are description/success criteria clear and complete?
- Have I listed non-deliverables?
- Have I included key dates?
- What information am I missing?
- Where can I get missing info?

LibraryLinkNJ 2/3/2017

jennifer@vinopal.org / @jvinopal

How good is my charter?

- Has it helped me build consensus re. what the project is about?
- Have all key stakeholders helped?
- Are there differences of opinion?
- Where was there significant disagreement? (Keep your eye on)

NCSU Libraries Mobile Redesign for 2012

Objective

The redesign of the NCSU Libraries Mobile website will improve the extensibility of the service (needed to accommodate Hunt), and introduce several user experience enhancements to the existing set of mobile library services.

Requirements

1. Redesign the homepage interface in a way that enables deployment of new apps with minimal effort
2. Migrate mobile dev framework from forked MIT Mobile Web framework to jQuery Mobile framework
3. Implement editorial recommendations on app names, taglines, and graphic identity; update the color scheme to be consistent with the NCSU Libraries website
4. Perform a comprehensive review of the usage stats; use this information to remove underutilized services
5. Maintain or improve usage data collection; improve usage data reporting tools
6. Retire legacy MobilIB service

Share Email Embed Like Save

Out of Scope

- Development of brand new apps
- Deep redesign of existing apps
- Custom iPad mobile website
- Native app deployment (iOS/Android)

Team

Project Manager	Tito Sierra
UI/UX Lead	Adam Rogers
Tech Lead	Cory Lown

Schedule

Launch	2011-12-8
--------	-----------

How good is my charter?

- Can someone reading this be absolutely sure what this project *IS* and *IS NOT* about?

If not, you're in trouble. So let's fix it.

A note about agile

- Not incompatible with charter
- Define/agree what success looks like
- Agile charter:
vision, mission, success criteria

LibraryLinkNJ 2/3/2017

jennifer@vinopal.org / @jvinopal

Agile charter

“includes at least the major objectives of the project, scope boundaries, and reciprocal agreements between the project's implementation team and external stakeholders.”

-- Agile Alliance,

<https://www.agilealliance.org/glossary/project-chartering/>

LibraryLinkNJ 2/3/2017

jennifer@vinopal.org / @jvinopal

Agile charter

“results in greater alignment of effort within the team, which is often a key determinant of project outcomes.”

-- Agile Alliance,

DSS/Fales - Riot Grrrl Digital Exhibit Project Charter - APPROVED

General Information

- Project Title: Riot Grrrl Digital Exhibit Project
- Partner: DSS / Fales
- Project Sponsor: [redacted]
- Project Originator: [redacted]
- Project Manager: [redacted]
- Start Date: [redacted]
- End Date: [redacted]
- Key stakeholders: Sinead MacLeod, Fales Library

Project Description (include goals and objectives and NYU Libraries Strategic Goals the project)

See the [Riot Grrrl Collection finding aids](#).

In this project, [redacted] will digitize selected zines from the Riot Grrrl Collection (total of 528 pages) and put them on her own non-NYU website, current preservation standards in DLS's Lab and they will also be made available via Fales finding aids. As of 4/29/2014, this is the set of journals:

Doris (Cindy Crabb)
 Tribe Vail (Liz Vail)
 Bite Size (De Kwok)
 Mine (Meredith Stern)
 Thom (Kelly Marie Martin)
 Mudflap (Greta Snider)

[redacted] may add journals if she gets permission from the authors and from Fales.

Description of the Riot Grrrl Collection: The Riot Grrrl Collection is an attempt to document the evolution of the Riot Grrrl movement, particularly in the years before political and a cultural movement. Its output was diverse, including writing, music, performance, film, activism, photography, video, and original art, as well as its collection will provide primary resources for scholars who are interested in feminism, punk activism, queer theory, gender theory, DIY culture, and music history involved in the creation of early Riot Grrrl zines, music, and activism. This includes (but is not limited to) correspondence, artwork, journals and notebooks, audio, as well as any source materials relating to the creation of artworks, writings, fanzines, bands, performances or events. The Fales Riot Grrrl Collection is not just a zine collection to augment research. The collection's primary mandate is to collect unique materials that provide documentation of the creative process of individuals.
