Ready-to-Go

Marketing Kit & Monthly Metrics

Ready-to-Go Marketing Kit

We've made it easy for you! Our all-in-one marketing toolkit includes vibrant promotional materials, engaging social media graphics, and customizable email templates. Everything you need to smartly showcase the Library Chef program and captivate your community is right at your fingertips.

Metrics & Insights

Stay on top of your program's performance with monthly updates on key metrics. Track total platform registrations and monitor session sign-ups to gauge interest and engagement.

JUNIOR CHEF PROGRAM

COOKING FUN FOR AGES 5-16

Junior Chef Program Overview

Get ready for some kitchen magic with our Junior Chefs program! Designed for kids aged 5 to 16 who are eager to whip up delicious meals, our classes focus on fun kitchen skills instead of just following recipes. Think of it as a culinary playground where creativity runs wild!

We know that teaching kids life skills like cooking can be a challenge for parents. That's where we come in! Our lively and interactive classes take the pressure off you and guide your little ones from story time to mastering basic kitchen skills. So, grab your aprons, and let's embark on a cooking adventure that will leave your kids craving more than just takeout!

What is Included

- **Age-specific classes:** Kids (5-9) and Pre-Teen/Teen (10-15) tailored for skill development
- **Frequency:** We offer **2 live** kitchen skills classes per month to keep kids consistently engaged and improving their kitchen skills.
- **Class duration:** Each session lasts 30-45 minutes
- **Missed a class?** No problem! Get unlimited access to replays with an active membership.
- **Custom-branded** platform tailored to the library's identity.
- And More...

**NO ZOOM
NEEDED!!!**

www.Librarychef.com

From baking to breakfast basics, snacks and more ...

We roll up a lot of fun for kids & teens!

Our Valued **Library and Consortium** Partners in Cooking Education.

We are excited to work with a diverse network of public libraries across various states, dedicated to enhancing their community's cooking skills and engagement.

Many more in the family!
